

Bolzano Library Center, Bolzano, Italy
European Architectural Competition: 2004
Project Scope: competition design
Project Size: 160,000 sq. ft.
Project Type: Cultural
CK-Architecture in collaboration with Bramberger Architects

The brief called for a library center in the immediate vicinity of the "old town" of Bolzano. The existing collections of the county library: "Dr. F. Tessmann" (German), the county library: "Claudio Agusta" (Italian) and the city library of Bolzano: "Cesare Battista" (Italian) should be combined into a common facility.
